CHRISTMAS LIGHTS SWITCH-ON ROAD CLOSURES Friday 29th November 2024

Please note that this year's Christmas Lights Switch On will take place on the evening of **Friday 29th November 2024**.

For reasons of safety it is necessary to close the town centre to traffic and an official Temporary Traffic Regulation Order has been issued by Leicestershire County Council.

The full details of the road closures are as set out overleaf. Please note that the town centre will be **completely closed** to traffic between 5.00pm and 9.00pm, during this time diversions will be in place.

Please ensure that NO cars are left parked on Church Street, George Street or in public car parks within the closure, between the above times. A Temporary Traffic Regulation Order is in place for this duration and any breaches may result in tickets being issued.

This is a very popular and important event in the town's calendar and we thank you in advance for your co-operation. Please plan ahead and restrict your vehicle movements. Traffic marshals will be on duty.

Thank you.
